Position Vacancy Local Inspector/Sheet Metal/Mechanical Inspector

The Town of Norfolk is seeking qualified applicants for the position of Local Inspector/Sheet Metal Inspector. This is a union full-time (40 hrs. per week) benefited position. Applicants should be qualified under Massachusetts State Building Code, concerning Building, sheet metal/mechanical codes with a minimum 5 years' experience in the supervision of building construction and sheet metal/mechanical systems. Candidate must have a Construction Supervisor license and be certified by the state in the supervision of Building Construction and certified by the BBRS and a valid driver's license. Position reports directly to the Building Commissioner.

Salary range for this combined position is \$55,000 to \$80,000 based on experience. Complete job description can be obtained at the Norfolk Building Department.

Send letters of interest, resume with salary requirements, and three professional references to the attention of Robert J. Bullock, Building Commissioner, 1 Liberty Lane, Norfolk, MA 02056 or email kturi@norfolk.ma.us. This position will remain open until filled. AA/EOE
