

DPW Water Division Superintendent/Engineer
Town of Norfolk, MA

The Town of Norfolk is seeking one full-time Water Superintendent/Engineer responsible for planning, directing and overseeing the daily operations of the Water Division and to consult on Public Works projects requiring a Professional Engineer. This position will have the respect of all Division Heads and will assume the responsibilities of the Director in his absence.

As a Water Superintendent, the candidate's main focus will be on the development of new public water supply sources for the town. The candidate must have a comprehensive knowledge of water industry methods and techniques.

As a Professional Engineer (PE) the Candidate will assist the Director on all matters of Public Works and will consult with other Boards and Departments with regards to Planning, Subdivision Construction, Building and Highway Projects.

Compensation for this combined position will be commensurate with experience.

Send letters of interest, resume with salary requirements, and three professional references to the attention of Robert J. McGhee, Director of Public Works, Department of Public Works, 33 Medway Branch, Norfolk, MA 02056 or e-mail kmitnick@norfolk.ma.us. This position will remain open until filled. AA/EOE
