

HYDRANT FLUSHING NOTICE

Beginning October 9, 2017, weather permitting, the Norfolk Department of Public Works will be conducting a water system flushing program. The program will run for approximately four weeks, during the hours of 8:00 P.M. through 6:00 A.M. Please make arrangements to limit your water use during this time period.

By implementing this program, the Norfolk Department of Public Works intends to reduce dirty water occurrences and improve water quality.

Please be sure to check the DPW-Water Division Website at www.norfolk.ma.us for updates.
